Make Your Own *☺ Dream Catcher ☺*

The Native Lights horses of Bella Sara are closely connected to the traditions and beliefs of Native American tribes. Dream catchers are woven and hung above the bed. Beautiful dreams flow through them to the sleeper below, while bad dreams are caught in the web and destroyed by the morning light.

❖ *You will need* ❖

A paper plate, colouring pens or pencils, wool or coloured embroidery thread, hole punch, beads and feathers, scissors

1. Cut out the centre of the paper plate to make a ring about 2 inches wide.

2. Punch holes at regular intervals around the edge of the plate.

3. Use your colouring pens or pencils to decorate the edges of the plate.

4. Cut a piece of wool or thread about 5ft long. Tie one end of the wool to one of the holes.

5. Weave the wool or thread through the holes and across the plate, creating any pattern you like. Add a few beads as you go

6. When you have used all of the holes, tie the end of the wool to the final hole.

7. Cut three pieces of wool or thread and tie them to three holes along the bottom of the dream catcher. Thread beads and a feather on to the end of each one.

8. Cut a final piece of wool or thread and tie it to the top of the dream catcher.

9. Finally, hang the dream catcher above your bed.
